

# Peak Academy of Dance

Please take a look at the following information to figure out when your student has dress rehearsal and when your student performs. Two things to remember. First, we have split the recital into two weeks. All Aerial Classes perform the first week, May 20-May 24 and do not come the second week. They are complete with their year and we look forward to seeing them at a camp over the summer or next August for classes. All Dance Classes do not come, May 20-24, but come back the May 28-June 2nd. They are then complete and we look forward to seeing them at a camp over the summer or next August for classes.

Also, please note that Pre-School, 5-7 Combo and Pre-Ballet only perform in the first 2 shows.

**How to read this document. Find your week. Find your day, time and teacher.**
